*Pastor T. Odukoya, TFOLC (Lagos, Nigeria)*

"Your book is so full. It has really touched my life. Not just has it affected me, it has shown me the importance of the message (on identity) for others. The area on 'boundaries' really touched me. It is an area needed in my life...I am reading it a second time."

*E. Cochy, Winners Church (Queens, New York).*

"Your book is fine! I like the way you laid out the concepts..."

# Introduction

Why a book on identity? There are several reasons: (1) Everyone has an identity; (2) Ignorance regarding your identity can adversely affect your destiny; (3) Identity is the official marker set on you by the Creator that gives you your sense of uniqueness.

The truth remains: men, women, and children are plunging deeper into the entanglement of a deplorable condition. The crisis of identity plagues our world like never before. When a person's basic sense of being is altered, he or she tends to gravitate in the direction that seems to offer a deeper sense of self-worth.

You are a unique individual, possessing unique gifts, talents, and abilities. You cannot be duplicated! That is why attempting to be someone else only leaves you feeling inadequate. Your identity is what makes 'you' you, and not someone else.

Ignorance is no bliss! What you do not know can hinder you. If you are a millionaire and do not know it, what good does that do for you? In the same token, if you do not know who you are, you will stumble in your attempt to fulfill your God-given purpose.

In this book, we deal with the importance of manifesting our destiny through grabbing a hold of biblical insights as to who we are in Christ. Why? The reason is 'Mankind has an identity ordained in Christ. This identity once embraced in its totality determines the course of destiny experienced.'

It is time to live on purpose! There are countless millions waiting for us to show up and deliver what God has invested in us.

The principles discussed in this book have been demonstrated in our lives for years. This is a book from the heart. We believe that as you embrace the principles therein, illumination will come to you relative to your specific condition. With the help of the Spirit of God, you will know what adjustments to make to stand your ground as an ambassador in the Kingdom of God.

It is our prayer that you will understand clearly that your identity is suspended between your origin and your destiny. What you identify as your origin affects your perception of self. Why? 'You are a byproduct of the one who made you.' The originator of a thing determines its intrinsic worth. The origin also spells out the outcome of the product. We trust that as you read this book you will grasp that your Creator, God, did a good job in making you. Now enjoy the contents within this book.
